Write-On Stationery Orders

If your children are attending Brookwood next year and you ordered from Write-On Stationery, school supply packages will be delivered on Friday, June 21. As they are cumbersome for students to carry home, please plan to pick them up. Write-On Stationery will accept on-line orders after this date and will arrange with parents any pick up or delivery details.

Wilhawk Fundraiser

Thank you to our Brookwood families for supporting our Wilhawk fundraiser. We raised \$1921 for the school.

Farewell Assembly

Parents are invited to our year end Farewell Assembly on **Wednesday, June 26th at 9:15 am in the gym**. We will be wishing all our students and staff a fond farewell as they start summer holidays.

First Ride Program

Bus students new to Kindergarten and their parents are encouraged to participate in the First Ride Safety Program. This program is held multiple times every August and aims to ensure students are ready for their first bus ride to school.

The program consists of a presentation focusing on school bus safety, and also includes a short ride on a bus. It's a great way to prepare kindergarten students for

their first day of school and ensure they have safety in mind.

In addition to our usual afternoon and evening sessions held at the Centre for Education, this year we are also offering an evening session that will be held at Graminia School ([51101 Range Rd 271, Spruce Grove](#)).

Our First Ride Program is being offered seven times in 2019 (on a first come, first served basis):

2019 Centre for Education Sessions

Dates: **Tuesday, August 13;
Wednesday, August 14; Thursday,
August 15**

Times: **Afternoon Sessions 1-2:30pm,
Evening Sessions 6:30-8pm**

Location: **Parkland School Division Centre
For Education - Board Room ([4603 48th
Street, Stony Plain](#))**

2019 Graminia Session

Date: **Thursday, August 22**

Time: **6:30-8pm**

Location: **Graminia School ([51101 Range
Rd 271, Spruce Grove](#))**

**To register, please call Transportation
Services at 780-963-8452.**

New Vision and Mission for Parkland School Division

At the June 11, 2019 Regular Board Meeting, the Parkland School Division Board of Trustees approved the new Vision and Mission with the amendment and approval of *Board Policy 1: Division Foundational Statements*. The revisions

come after months of engagement with stakeholders including staff, school administrators, a Superintendent's Teacher Advisory Team, a Students Advisory Committee, parents and the general public.

Based on the significant feedback received through various engagements, Parkland School Division Trustees and administration drafted updated [vision, mission, and values statements](#) that reflect core stakeholder input. Stakeholders support a strong focus on confidence and resilience. They expressed their support for healthy relationships, as this builds resilience which is important for motivating students beyond academics. *The Ultimate Goal* of Parkland School Division remains the same: *Student Success & Well-being*.

The final version of these statements reflects the positive and passionate future of Parkland School Division and offers a strong foundation as the Board provides governance and leadership in the years to come.

Our Vision

Our students possess the confidence, resilience, insight and skills required to thrive in and positively impact the world.

Our Mission

We assure supportive learning environments, meaningful experiences and healthy relationships that create opportunities to develop resilience, to gain diversity in perspectives and to achieve enduring success.

Foundational Statements

Our Ultimate Goal is Student Success and Well-Being.

Moving Over the Summer

If you plan on moving over the summer, please call us at 962-3942 to let us know. This knowledge will help us establish proper class sizes and staffing for the 2019-2020 school year.

Kindergarten Registration

Online registration for Kindergarten began on February 1. Only online registrations will be accepted. To attend Kindergarten in September 2019, children must be five (5) years of age by the last day of February 2020.

BE A SLEEP STAR!

This month, students are learning the importance of sleep through a monthly campaign called Be a Sleep Star!

Did you know that...

Being physically active helps our whole body stay healthy and happy. Because sometimes stress can affect sleep, being physically active is extra important. Physical activity helps to reduce our stress level. Make sure you are getting 60 minutes of moderate to vigorous physical activity every day. That means your cheeks should be red and you should feel warm and sweaty for 60 minutes every single day. Be a Sleep Star by being physically active!
