## First Ride Program

Bus students new to Kindergarten and their parents are encouraged to participate in the First Ride Safety

Program. This program is held multiple times every August and aims to ensure students are ready for their first bus ride to school. The program consists of a presentation focusing on school bus safety, and also includes a short ride on a bus. It's a great way to prepare kindergarten students for their first day of school and ensure they have safety in mind.

## **New Vision and Mission for Parkland School Division**

At the June 11, 2019 Regular Board Meeting, the Parkland School Division Board of Trustees approved the new Vision and Mission with the amendment and approval of *Board Policy 1: Division Foundational Statements*. The revisions come after months of engagement with stakeholders including staff, school administrators, a Superintendent's Teacher Advisory Team, a Students Advisory Committee, parents and the general public.

Based on the significant feedback received through various engagements, Parkland School Division Trustees and administration drafted updated [vision, mission, and values statements](#) that reflect core stakeholder input. Stakeholders support a strong focus on confidence and resilience. They expressed their support for healthy relationships, as this builds resilience which is important for motivating students beyond academics. *The Ultimate Goal* of Parkland School Division remains the same: *Student Success & Well-being*.
